EXPANDABLE WEAPON RACKS

Specifically designed to be modular and accommodate most small arms requirements. Used in secure areas such as armories and vaults on a small or large scale. This unique system is 84" high and can be configured in a single or double sided manner with weapons being stored vertically or horizontally.

- Two modular widths of 34" & 40"
- Single & double sided solutions
- Stores rifles with attached scopes & accessories
- Optional storage accessories
- Can be secured to the floor and/or wall
- Easily expanded or re-configured

COMPONENTS

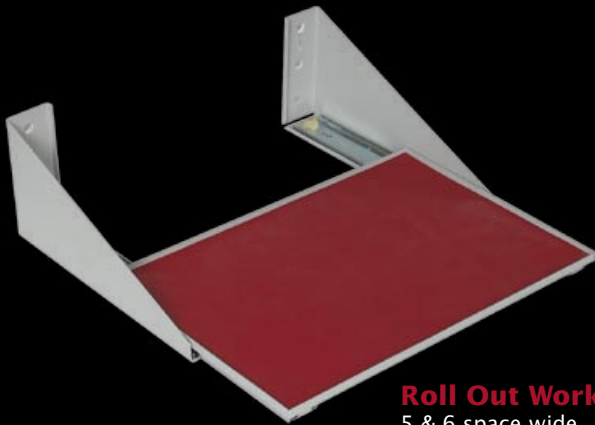

No other small arms cabinet or rack compares to the extreme versatility and flexibility of our unique weapon storage systems. Combine the extensive components and the 'universal gun panel' to achieve your own custom solution.
