Tape Hanger Bar	Hanger bar holds reel tape in seals or ez-load cartridges	<p>Holds 35 reels per hanger bar, requires 9-13" of cabinet height depending on reel diameter.</p> <ul style="list-style-type: none"> <li>• Optical disk 10/pac</li> <li>• TK and DLT 7/pac</li> </ul>
Bars for media packs	Holds three molded media packs designed for specific media. Each bar holds three packs.	<ul style="list-style-type: none"> <li>• 4 mm tape 10/pac</li> <li>• 8 mm tape 10/pac</li> <li>• Magstar 10/pac</li> </ul>
CD-ROM drawer	Each drawer has slots for each CD. The CD's tilt to allow easy viewing.	120 CD's per drawer
9" filing drawer	Drawer designed to hold either letter or legal hanging files.	
12" filing drawer	Deeper variation of 9" drawer.	
Bars for file drawers	Two bars for the file drawers above.	
Roll-out shelf	Shelf measures 32"w x 17"d x 3"h. Ideal for laptops, boxes of paper or printout. Hint: Locate a roll-out shelf at the bottom of the cabinet for convenient access to items stored.	
Fixed shelf	Store anything!	
Divider kit for fixed shelf	Five dividers plus back plate. Ideal for ring binders or software documentation.	
Reference shelf	Serves as a work-surface and staging area.	
Pad lock bar	Remember the doors lock and are steel which means this added bar with your pad lock offers even more secure storage.	

Hint: When configuring your cabinet locate the media drawers (EDP100109 and 100102) in the middle of the cabinet between waist and shoulder height for easy access. The media bars (EDP100106) work well at eye level as does the fixed shelf with dividers. A roll-out shelf at the bottom of the cabinet makes it easy to access. Put a reference shelf at waist height to use to stage your work.
